22nd September 2017

Family Fun Day Sunday 24 Sept 11:00am to 3:00pm

We look forward to seeing you this Sunday for the school Family Fun Day.

This year we are raising money to provide additional outside music equipment for our school. We will be putting the money raised from the Fun Day with the money we have received from Tesco to purchase something we hope will be wonderful and will provide the children with equipment that will stimulate their creative play.

Please do come along and support the school in raising this money to provide resources that will benefit all the children in the school now and for many years to come. Without your support and the fantastic work of the parents association, FoBS, we could not afford resources like this.

Upcoming Events

29 September

Liam Boswell
Joshua Dowker
Eryk
Balcerowski

Bordon Beavers

The school has been made aware that Hampshire Scouts association are trying to re-establish a Beaver group in Bordon. Activities like Beavers we believe are extremely beneficial for children and this is something we wanted to promote. Below is the message from Hampshire Scouts

Hampshire Scouts are looking at the possibility of restarting the Scout Group in Bordon by opening a Beaver colony. If you have children (girls or boys) who are aged 5 ½, 6 or 7 years old then please come along to a meeting at Mill Chase School on 5th October at 6.30pm. The presentation will last 30 mins with an opportunity for questions.

Look forward to seeing you on the 5th Oct!

Vanessa - County Development Officer
