Harvest Assembly Friday 20th October at 9:10am

Next Friday we will be holding our annual Harvest Assembly. All the year groups will be singing some songs and Year 2 will also be doing some readings.

This is a very popular assembly and we have limited seating so we strongly suggest if you are coming to it you get there early.

For the Harvest Assembly we will be collecting for the Bordon food bank. On Friday morning it would be lovely if you could send your child in with a donation of food or toiletries that we can give to this good cause.

This year the food bank specifically need donations of;

Tinned meat

Tinned fish

Coffee

Drinking chocolate

However any donations of **any packet food, cans or toiletries such as toothpaste, toothbrushes or soap** would be very welcome. No fresh produce though please as they do not last long enough. The food bank has plenty of pasta and beans so please do not send in any of those.

The food bank works on a voucher scheme, so if you know of a family in need please talk to us at school or talk directly to Rev. Scott-Bromley.

Upcoming Events

20 October

9.10am Harvest Assembly

3.15pm End of term

23-27 October

Half Term

30 October

8.45am Start of term

31 October

Flu immunisations

2 November

6pm FoBS meeting in Junior school

Mrs Payne Leaving

Sadly we are having to say goodbye to Mrs Payne who is Tigers LSA. Mrs Payne has been a wonderful Year 1 LSA and Tiger Class in particular are going to miss her terribly. We wish her all the very best for the future.

We are currently in the process of recruiting a new member of staff and as soon as we have, we will let you know.

Issues with other children

From time to time issues and problems do crop up in school between children. Most of these are easily sorted but sometimes children do come home a bit upset by something that has happened during the day.

If your child is upset please do come and talk to us about what is happening. Some parents are contacting other parents about issues between children that have happened at school. The difficulty with this is neither set of parents was at school and can say exactly what has been going on. It also leaves parents upset and creates animosity. We don't want bad feeling between parents and we don't want parents in a situation where there might be arguments, especially when most of the time there is a simple explanation.

If you have any worries please come straight to us and we will do everything we can to sort out the issues.

This is our school vision. It sets out what we as a school community want for our children.

The three points on this side are the learning skills and attitudes we want our children to have

The three points on this side are the type of attitudes and behaviours we want our children to have as they grow into young adults

Children playing dangerously before and after school

We are generally happy for children to use the equipment in the school grounds before and after school as long as parents supervise their children.

We have however noticed a number of children being allowed to play very dangerously by doing things such as climbing on the roof of the rainbow house. The roof is only perspex and will break if climbed on. This is likely to lead to injury for the child.

Please ensure your children are playing safely.

Hi Vis Shop

We currently have a lot of different Hi Vis items for sale in the school office.

With the weather getting darker ensuring children can be seen easily on the walk to and from school is something we highly recommend.

If you would like to purchase key chains, magnetic clips that can be attached to almost anything, flashing lights for bikes or even Hi Vis vests please pop into the office. Most items are less than a £1.

The new school coats we are selling also have Hi Vis strips sewn into the back and the sleeves. These can also be purchased from the school office.

Breakfast and Afterschool Club

We currently have spaces every day for both Breakfast and Afterschool Club. If you would like your child to start coming to either of these clubs please just pop into the school office or give us a ring.

Breakfast club starts from 8:00am and we provide the children with breakfast and offer a range of activities for £3 a morning.

Afterschool club runs to 5:30pm Monday to Thursday and 5:10pm on a Friday and costs £5 a session. The children do a range of craft activities, inside and outside play or even read with staff if you would like them to. A snack and drink are also provided.
