Sue Hendra and Paul Linnet Visit

Last week the children in Year 1 and 2 had the fantastic opportunity to meet the authors Sue Hendra and Paul Linnett. The two authors put on a fantastic show reading from one of their latest books "Supertato Run Veggies Run". The giant robot watermelon was a particular favourite of the children's! Sue and Paul also talked to the children about being an author and where they got their inspiration from for their stories. They showed the children how they came up with the idea for the character 'Supertato' and even showed the children some of the early design concepts they had. The two authors spent over an hour talking to the children reading stories, singing songs and answering questions.

Following the session children had the opportunity to have their books signed by Sue and Paul. The school was also presented with a special signed copy of their latest book.

The visit was arranged by Hampshire School Library Service and also involved children from Weyford Primary and St Lawrence Primary. Due to the number of children attending the event Bordon Juniors kindly lent us their hall.

Following the visit the children spend the rest of the day writing stories along the same lines as the books by Sue and Paul and creating their own similar art work. The children had a wonderful day and we are hoping to be able to send off some of the children's work to Sue and Paul. Looking at what some of the children produced we would not be surprised if we don't have one or two of our own budding authors.

Christmas Concert

Last night children from every school in Bordon took part in a fantastic Christmas concert. Each school sang an individual song which built up into a bit of a story, ending with all the children singing the big final number. It was wonderful to watch children from our school and the Junior school join with children from The Holme, Weyford, St Matthews, Woodlea and Mill Chase all on stage singing together.

The event was brilliantly organised by the staff at Mill Chase who had put in a huge amount of work to ensure the evening was a complete success. The WBRC hosted the event and their team was working on the venue to midnight the night before to ensure it had a wonderful Christmas feel to it.

The biggest thanks must go to our own wonderful choir and to Mrs Porter who put so much time into teaching the children the song. Well done Mason Tyler, Isla Bowler, Ella-Louise Trapnell, Cara Nomuoja, Charlie-Alan Eacott, Isabel Mitchell, James Lidgley, Emily Fucik, Lacey Avis, Tudor Antoci, Tyler Richards, Abbey Pennington, Dylan Bennett, Lucy Barnfather, Sally Quinton, Tyler Parry, Grace Holden, Olivia Sarnecka, Jake Searle, Amelie Jones, Maisie Lovelock, Taida Mudzudzu, Amy-Jo Wilson-Buchanan, Olivia Bunn, Xavier Kolodziej, Libby Coombes and Amelia-Rose Edney.

Parking

Thank you to everyone for respecting the school zig zag yellow line along Budds Lane. These lines have helped to create a much safer crossing point for the children coming into school.

Thank you also to all those parents using the swimming pool car park. It is reducing the amount of cars parking on Budds Lane and having a big impact on improving the safety of the children as they walk to school and as they cross Budds Lane.

All Children who walk from the car park will get a walk to school badge at the end of the month.
