Questionnaires

Coming out with this newsletter are two questionnaires that we would appreciate you taking the time to fill in.

The first questionnaire follows on from the very successful food tasting the children had on Tuesday. The children had the chance to try food from the new school menu coming out after Easter. We would now love to hear your views on the meals the children get at school. All the responses will be fed back to the school caterers, HC3S, who run the service for us. The new menu ideas went down very well with the children and we think there may be some tough choices as to what meal to have on each day coming as it looks like there will be a lot to choose from.

The second questionnaire is about the school before and after school provision. The provision has been running very successfully for a number of years and we have continually adapted and improved it to better meet the needs of the children and the parents. We would love to hear your views on what you think a good before and afterschool service should be. Even if you don't use the service we would still love to know your thoughts. It would really help us as a school to continue to improve.

If you could hand in your questionnaires to school by Friday 2nd March, we would really appreciate it.

Upcoming Events

27 February 2018

2.45pm Year 2 Classes Assembly

Trapnell
Ethan Powe

World Book Day Friday 2nd March

To celebrate World Book Day and the love of books and reading we are having a day of book related activities. Please could the children come dressed up as their favourite book character.

Could the children also bring in a named copy of a book they love and can tell people about. It does not have to be a book they can read just a book they know well.

The children will also be having a special Gruffalo themed lunch on that day.

Parking

Please remember not to park or drop children off on the yellow school zig-zags along Budds Lane. We know the road works are complicating matters but the zig-zags are there for the children's safety. We also strongly recommend not leaving younger children in cars unattended. For the short amount of time you might save it is not worth the risk.
