Tesco Bags for Help Money

For a number of years we have been running a play session once a week for parents and preschool children. The sessions are currently taking place every Thursday morning in the school community rooms. The sessions are run by the fantastic Mrs Burningham and have always been very popular.

We have never charged for these sessions but recently we have asked for a voluntary contribution to go towards the cost of the resources used.

Following on from our successful bid for funds for the new play equipment, where we got £5,000 from Tesco, we have put in a new bid. The bid is to enhance the equipment and resources we have for the Family Fun sessions. If successful this money will go towards ensuring the sessions can remain free for all parents.

Anyone who shops in Tescos in Bordon, Alton or Fourmarks will be able to collect blue tokens and vote for our project. If we get the most amount of votes we could once again be given a sum between £3,000 and £5,000.

Our project is up for voting between July and August. Please help us and spread the message around your family and friends. You were amazing last time and the children have benefited hugely from the money we were given.

This is a real community focused project and we hope you will once again help us to get a large sum of money for the school.

A very big thank you Mrs Kolodziej

Due to a miscommunication with the company that built the new play equipment, the old equipment once taken down was not removed from the site. This left us with the difficult prospect of disposing of a large amount of old, heavy wood. While we pondered what we could do without costing the school a fortune the wood remained as a bit of an eye sore on our school field.

A few weeks before half term Mrs Kolodziej came to the office and asked if we would like her to get her company to remove the equipment for us. We gratefully said that would be very kind of her. So on the inset day three wonderful gentlemen turned up and spent the morning removing all the rubbish from the field. All they would accept was our thanks, they did not even stop for a tea break despite being asked numerous times!

So on behalf of all the children and the school can we say a huge thank you to Mrs Kolodziej and the work those three gentlemen did to make our school look so much nicer.

Lost Property

Every term we have a very large amount of unclaimed jumpers, coats, bags, shoes and even trousers left in school. Anything that isn't claimed at the end of term we have to bin. Much of this 'lost property' is still very good quality and very usable. Mrs Doolin, a parent, who has had three children at our school, has offered to sort through this lost property. She will collect any items too good to throw away and set up a stall once or twice a half term. At this stall you can either swap outgrown clothes for larger sizes or purchase second hand uniform for a very small fee. We will let you know when the stall will be running by sending out a text message.

We strongly recommend checking the names in all clothes at least once a month as labels come off or get washed off. Any items that are named can normally get back to you. If clothes do not have names it is almost impossible.

If you have any clothes to donate please bring them to the school office.

Lunchtime Supervisory Meals Assistant Recruitment

We are looking to recruit a new Lunchtime Supervisory Meals Assistant to join us in helping the children at lunchtime. The role requires a lot of patience and a willingness to get involved in supporting the children's play.

The role is term time only and hours are 12pm to 1:05pm. Rates of pay for the role are £7.83 per hour (pay award pending).

Please ask at the office for more details.

Summer Sundae
