Harvest Assembly finishing off this half term

Thank you all so much for your kind donations for our Harvest Assembly today. Everything you have given has been gratefully accepted by Reverend Scott Bromley from St Marks Church and has gone to the Bordon Food Bank.

The Food Bank is a vital resource for many people in times of need. If you know of anyone who would benefit from the support the Food Bank has to offer please do come and talk to us and we can help refer families.

Although a short assembly, it is the first time this academic year and the first time since starting school for Year R, that the children get a chance to perform to parents. For those of you able to attend I am sure you will agree that they did a wonderful job.

Following this assembly, I have very high hopes for this years Christmas Nativities which will be upon us very quickly.

This has been a great first half term for the children and I am not sure about you but for many of us in school it has gone by so fast. Next half term should be another wonderful term as we begin the countdown to all the wonderful Christmas activities, this is my personal favourite. I hope that you have a lovely week off and your children get some much needed rest.

Matt Greenhalgh
Headteacher

Upcoming Events

19 October 2018

3.15pm End of term

4-6pm Parents Evening

15 November 2018

4-7pm Parents Evening

16 November 2018

Non-uniform Day for Children In Need

Plastic Bottle Collection

As part of the remembrance commemorations for this year with it being 100 years since the end of the 1st World War we are going to create a poppy display. The display will be put up in the school and will stay up throughout this year. Each Year Group will be making poppies using different media.

To help us with this we need plastic bottles, or the bottom of them to be precise. Please could you keep any plastic bottles, the ones with the bumpy bottoms, and bring them into school after half term.

We will be having a special Remembrance ay on the 9th November and we will let you know after half term what this will involve.

Rope for Forest Schools Activities

If you have any rope at home, any size or length, that you could donate to us for the children to use as part of their Forest School activities we would be very grateful.
