## Caretaker Needed

Very sadly our wonderful Site Manager, Mrs Goss, has decided that managing two schools is too much now. She has decided that she will just manage Bordon Juniors after Christmas.

This means that we are looking for someone to take on the role of school caretaker.

The job needs someone with good organisational skills. There are a lot of Health and Safety checks that need doing every month and paperwork that needs filling in to go with those checks.

The job also needs someone who can work with the school procedures and report repairs that need doing, and where necessary oversee the contractors to ensure the job is done.

The role also involves organising the cleaning of the school, both inside and outside, and working with our two wonderful cleaners to ensure the high standards we have are maintained.

Prior knowledge and training are not a requirement as training will be provided. The health and the safety of our children is of paramount importance and Hampshire schools have very specific procedures they must follow so anyone taking on the role will undertake this training.

The role needs someone for 15 hours a week from 3:30pm to 6:30pm Monday to Friday. The pay range starts at £8.93 per hour increasing to £9.74 through pay progression.

The key requirement of the role is that the person cares about the children, their wellbeing, safety and the environment they learn in. The successful candidate will be working alongside the rest of the staff so there is a big team to be a part of.

If you are interested in the role or you know someone who would be, please get in contact and come and have a look around the school.

Application forms can be picked up from the school office.

*Bordon Infant School and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.*

2.45pm Elephant Class Assembly

### 5 February 2019

2.45pm Giraffe Class Assembly

### 11-15 February 2019

Science Week

## Safety Reflectors

From the middle of next week we will be selling a range of safety reflectors that can be attached to coats and bags to help ensure that as the weather gets darker children can still be seen.

All the items will be available from the school office. We have some reflective clips to go on zips, some reflective characters with clips to attach to bags and some reflective monsters to attach wherever you like!

## Remembrance Day

Thank you to all the families that made Remembrance things at home. All of the different items brought in were fantastic and the children enjoyed showing them to the rest of the school in assembly.

We would like to display as many of them as possible for a little while. If you would like yours back straight away then please just ask your child's class teacher.

To support this year's Children in Need on Friday 16<sup>th</sup> November we are inviting the children to come into school in non-school uniform.

The theme of Children in Need is 'Do Your Thing' so the children can come dressed in whatever they like, be themselves and show who they want to be.

All we are asking is for between £1 and £2 to donate to the charity.

## Adult Scooter for Hire

We have, as many parents are aware, recently purchased some scooters and helmets that the children have been having immense fun with at playtime and lunchtime. The idea behind this was to increase the amount of physical activities the children have access to at school and to help encourage children to scoot more outside of school or on the way to and from school.

To compliment this purchase we have been given an adult scooter. We have been using this scooter outside with the children and will be working with them on developing their safe scooting knowledge.

We would also like to be able to offer the scooter out to parents to borrow for a weekend. If you are considering buying a scooter for yourself or have never even considered joining your children as they scoot, we have the chance for you to have a go.

If you would like to borrow the scooter over the weekend then please come into the school office and book the weekend you would like. All we ask is that it is back on the Monday morning so we can continue using it with the children.
