

Parents

Please discuss these questions with your children.
Bring in any work or information you may find out.

Have you been to Southsea? Can you find out any
information about the town?

Can you name the five senses? Use your senses to
describe the four seasons.

Go to the library and find the section on poetry.
Find a poem you like and you write it down or try to
learn it so you can come back and tell us all about
it.

Summer 2015

Water, water everywhere!

Yr 1 are off to the seaside!

Castles

In History we will be learning about different types of Castles, including Southsea Castle. We will be finding out about Henry VIII and The Mary Rose.

In Science we will be learning about the four seasons and how the weather and plants change each season. The children will be bringing together information from their seasonal walks.

Southsea

Creative Writing

In Geography we will be comparing Southsea and Bordon. We are looking for key features of both towns.

The sea

Lighthouse

In English this term we are linking our topics with poetry. The children will be looking at poetry and discussing the rhyming and word choices that authors have made. They will also be using their senses to create their own poems.
