

A vicar, soldier, farmer, cameraman, policeman and lots of other people will be visiting us!

We will need to look in non-fiction books to find out more about what these people do.

Lots of grown ups have jobs that help us. We will be visiting the dentist to see what they do as well as a possible trip to the local fire station.

Our help is needed as a detective struggles to find out what grown ups do during the day.

We will need to investigate and find out some of the jobs that they do and help answer the detective's questions.

What job would you like to do when you grow up?

We will be looking at what equipment people use to do their different jobs.

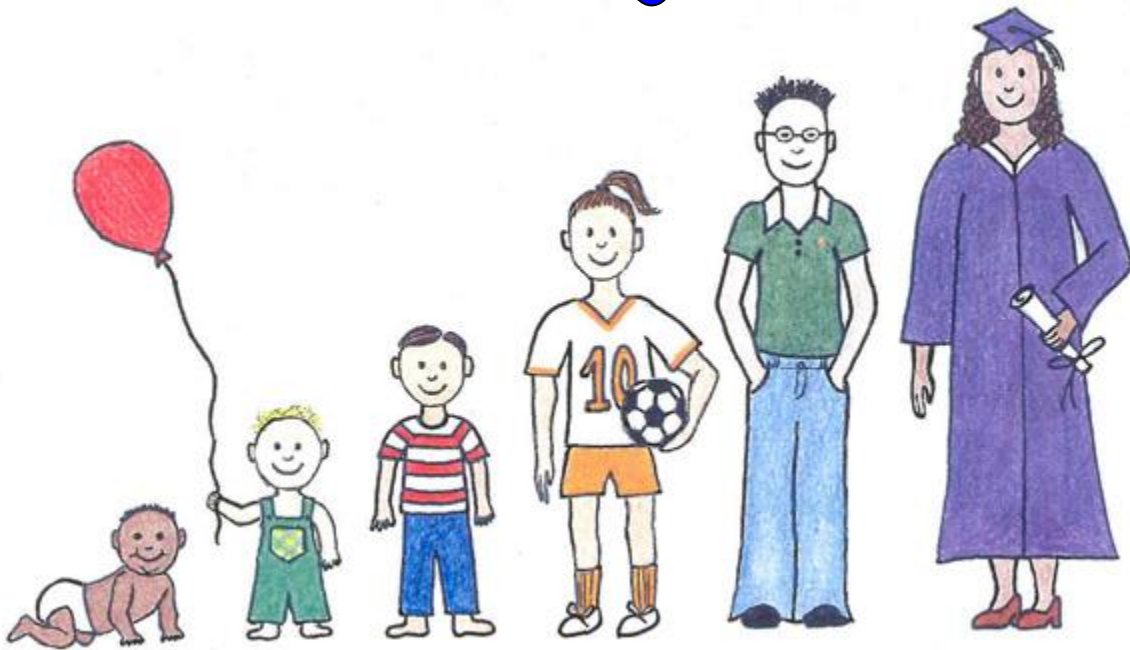

We will be painting pictures of what we would like to be when we grow up. We will be doing observational drawings of some of the different things people need to do their job.

We will pretend to be different occupations in our class role-play areas.
