

# Blast off into space

with  
Yr 1

## Dates for the diary...

- Moon buggy making 26/27/29 Jan
- Moon buggy exhibition 30th Jan
- Space Activity Afternoon 5th Feb

**5.4.3.2.1.Blast off**

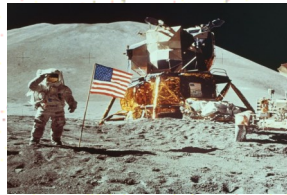

**Blast off**

**This is what we will be learning this half term ...**

## **Famous People**

What do you know about space and the first moon landing?

## **Researching information**

### **Neil Armstrong**

Who is he?  
Why is he famous?  
What did he do?

How can you find out about the moon?  
Where would you find information about the first moon landing?

### **Moon Buggies**

Designing and making a moon buggy.

### **Fixed and free axels**

Can you use the internet and books to answer these questions at home?

How many different ways can we make sounds?

Can sound change?  
How far away can you hear sounds?

**Pluck / Blow / Hit / Shake instruments**

## **OURSELVES**

Look at photos of people in your family at different ages .  
How do people change as they get older?  
What can we do now that we couldn't do when we were little?

*Please bring in a photo of when you (the children) were a baby/toddler .*
