

# Meet Mr Benn

## WOW DAYS

**"I Spy" Walk** around the local area identifying different features of our town.

**Tiger Class - Monday 11th May**

**Kangaroo Class - Tuesday 12th May**

**Dressing up day Thursday 21st May**

Come dressed up in any fancy dress costume that you could use in a story.

## Meet Mr Benn

**Join Mr Benn on his many adventures**

## Creative Writing

We use the television series Mr Benn to create stories with the children. They will be learning to write stories using different settings and characters.

## Geography

The children will be looking at maps and using them to find out about Bordon. The children will be learning about and identifying the main features of Bordon.

How far from the school do you live?

Can your child say their address?

Please look at a map of Bordon and help your child to find the street where they live.

## Science - Animals

The children will be learning about different kinds of animals. They will learn how to take care of animals and categorising animals into herbivores, carnivores and omnivores.

If you have pets at home, talk to your child about what special features they have and what needs to be done to take care of them.

## Music

The children will be learning about different instruments, the sounds they make and how we can use instruments for different effects.

Using things from around the home—what sounds do they make if you hit, scrape or pluck them? Can they describe the sound?
