

Pirates

Year R Summer 1 Topic

Dates to remember

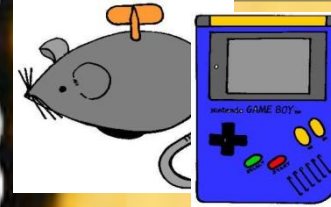

4th May - Bank Holiday

21st May - Dress up as a pirate day/Last day of the half-term

22nd May - Inset Day

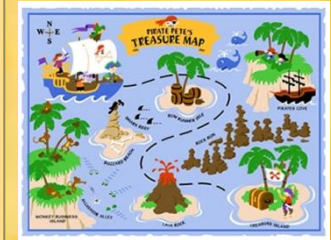

We are also hoping for a Yr R trip on the Bordon Eco Bus to explore the local community. The date will be confirmed shortly.

We will be exploring which materials float and which sink. This will help us design boats to help us escape from Captain Hook. As well as making boats we will be also designing and making a 3D sea monster using junk boxes.

We will be finding out about what toys we play with now and when we were babies. We will also look at toys from the past and how they are different.

We will be following maps around the school grounds to find some treasure. We will then look at different features of a treasure island and making our own maps.

We will be learning how to write in different ways. We will write a post card from Treasure Island and also think about describing characters for a pirate wanted poster.

WANTED!

How you can help?

Counting out 1p and 2p coins and talking about how much things cost when you go shopping.
Talk to your child about toys they like and what toys you played with when you were young.
