

Green fingers

**Yr 1 are going to explore the plants in
our fabulous garden**

PSHE & PE

- Making vegetable soup
- Washing our hands properly
- Following our class charter to keep us safe and happy
- What can I do to keep healthy?
- Caring about our garden and looking after it

English

- Writing labels to accompany foods in our role play area and our school garden
 - Re-telling stories through actions and our own words e.g. 'Oliver's Vegetables', 'Jack and the Beanstalk' and 'The Enormous Turnip'.
 - Selling fruit and vegetables in our role-play
- At home practise re-telling your favourite story.**

Geography

- Making plans of the school garden
 - Learning to draw maps
 - Visiting a farm and learning where vegetables come from
- At home draw a map of your garden and bring it in to show us.**

Green Fingers

Science

- Identifying different plants
- Know different parts of plants
- Grow our own plants so we know what plants need to grow well
- How do some trees change throughout the year?

At home look at what plants are on your street or in your garden. How do they change in Autumn?

Maths

- What is our favourite fruit and vegetable?
- How many different ways can we sort them?
- Weighing and measuring vegetables
- Counting different amounts inside and outside

Art

- Fruit and vegetable role play shop
- Drawing portraits of ourselves.
- Look at paintings by Guiseppe Arcimboldo (Portraits using fruit and vegetables)
