

# We are developing our different values at Bordon Infant school.

## Moral development

**We make right choices**

**We develop positive sporting behaviour**

**We respect one another**

**We look after animals**

# Spiritual development

**We ask questions about science**

**We build positive attitudes towards PE**

**We develop our own senses**

**We explore the local environment**

**We explore the natural world**

**We find things out for ourselves**

# Cultural development

**We look at how different cultures are represented**

**We extend cultural awareness**

**Music influences the way we think and feel**

**We share our own experiences**

**We taste food from other cultures**

**Explore other cultures**

## Social Development

**We build new friendships**

**We support the community**

**We learn from experts**

**We work as a team**

**We work together on mathematical tasks**

**We share our work with our families**
