### **Science**

Learning about plants and animals in our local environment.

What do they need to live?  
What is their life cycle like?

We will be watching butterflies hatch.

### **Literacy**

During this term the children will no longer be in RWI groups. They will be taught in their own class in preparation for Year 3.

The focus will be poetry writing. They will be reading and discussing a variety of types of poetry such as Kennings, Cinquians etc.

### **Homework**

We will be imbedding our spellings into our writing this half term if you could continue to practice spellings with your child at home as they will not receive weekly spellings.

Reading poetry and rhymes with your child at home, making rhymes together.

### **Mathematics**

- ❖ Multiplication and division
- ❖ Addition and subtraction using inverse
- ❖ Measure, capacity and weight
- ❖ Money

### **Homework**

Practise counting money and making change.

### **History**

Researching famous people and then comparing a famous person from the past with a famous person who is still alive. Who are they and what did they do? What difference have they made to our lives today?

### **PSHE**

Being a good citizen.

Learning to cooperate and respect other peoples views.

### **Music**

We are going to be listening to and practising songs in preparation for our leavers' assembly. We will also be learning some Makaton actions.

### **D&T**

We are going to be exploring Rangoli patterns with a variety of media. The children will then be creating a class wall hanging.
