

### Geography

- Making plans of the school garden
- Learning to draw maps
- Finding out where fruit and vegetables come from

show us.

### Art

- Look at portraits by a variety of artists including Guiseppe Arcimboldo (Portraits using fruit and vegetables)

### PSHE & PE

- Making apple crumble
- Washing our hands properly
- Following our class charter to keep us safe and happy
- Caring about our garden and looking after it

### Science

- Identifying different plants
- Naming different parts of plant
- Grow our own plants so we know what plants need to grow well
- Finding out how some trees change throughout the year

# Green fingers

Autumn Term 1

2016

## English

In creative writing this term (Friday mornings) we will be focusing on the story of the Enormous Turnip. We will be thinking about the characters involved in it, acting it out and writing our own versions. We will be using the phonics that we have learned in Read Write Inc to help us with our writing.

### English Homework

- ⇒ Please continue to hear your child read at least four times a week and practise their spellings from Read Write Inc.
- ⇒ Talk about fruit and vegetables that you enjoy. Ask your child to help by writing them on your shopping list.

# Green Fingers

## Maths

For our measures work we will be learning about height and using the correct maths language such as tallest, shortest, shorter or taller than to compare objects. We will also be learning to say the days of the week in the correct order and starting to look at where the clock hands are when we are telling the time to the hour e.g. 6 o'clock.

For our number work we will be counting forwards and backward to at least 30. We will also be ordering numbers and thinking about how many tens we need when we are making a 2 digit number using numicon.

### Maths Homework

- ⇒ Practise writing your numbers up to 30 and make sure they are the correct way round. Can you count forwards and backwards to 30?
- ⇒ Can you talk about your weekly routine and what you do on certain days and at what time of the day e.g. we go swimming in the afternoon on Mondays at 4 o'clock.
- ⇒

## Purple Mash Topic Homework

There are lots of fun activities including painting flowers, designing your own garden and finding out what goes on in a garden centre! You can also write your own diary of growing seeds. Go into the topic menu and click on plants. Have fun!
