

# We're going on a bear hunt

## Zebra and Penguin Classes Summer 2 2022

### Literacy

In our literacy lessons this term we will be reading stories about bears. These include 'Goldilocks and the three bears', 'We're going on a bear hunt', 'The bear who came to babysit' and the fun story of 'The girl, the bear and the magic shoes'.

We will also be exploring information books and learning about the habitats, diet and appearance of different bears.

We will be reading stories from the Bible on the subject of heroes. We will be learning about Samson, David & Goliath and Joseph.

You can help your child at home by continuing to read with them daily, encouraging them to talk in full sentences and asking them to help you with shopping lists, recipes, and writing notes.

### Maths

In our maths lessons this term we are learning about time, estimating, measuring and counting in 2's, 5's and 10's. We will also revisit and consolidate our learning in adding and subtraction by counting on or counting back.

We will continue our 'number of the day' and look at how these numbers are made up.

We will be trying to answer different maths problems such as who is the tallest in the class? Who has the biggest feet? etc.

We will be encouraging the children to talk about how they will solve a problem and think of what they need to help them. Please encourage them at home to explain their ideas by asking 'How do you know?'

## Understanding the World

We will be learning about Polar bears, climate change and what we can do to help look after our planet

## PSHE

We will be discussing change and getting ready for the move to Year 1 after the summer break. We will all have the opportunity to talk about our feelings around the exciting changes coming.

## Marwell Zoo

We are so excited to be able to get out and about on our school trips once more after 2 years of covid restrictions.

This year we have planned a visit to the fantastic Marwell Zoo. We hope that during our visit we will get to see this gorgeous Red Panda as well as many other exciting animals. We wonder if we will meet some Zebras and Penguins! More details will be coming soon, look out for the permission form and payment details.
